

## Updates to MCMIS, EMIS, L&I, and SAFER

Please note that updates to MCMIS, EMIS, L&I, and SAFER are scheduled to be released on February 28. Updates to CAPRI and CaseRite are scheduled to be released on March 1. In particular, the following high-priority capabilities are scheduled to be released:

- Initial enhancements to CAPRI and CaseRite resulting from Section 222 of the Motor Carrier Safety Improvement Act of 1999 will be implemented.
- A new Recent Activity data field will be added to all Census File records, allowing users to track carriers' recent activities in SAFER.
- MCMIS will accept uploads from CAPRI of ratable reviews which have a reason for review of CSA 2010.

More detailed information will be distributed next week. If you have questions, please contact the FMCSA Technical Support team at 617.494.3003 or [FMCTechSup@dot.gov](mailto:FMCTechSup@dot.gov). Thank you.
